# Sheep Timeline

2020-PNF-001299

The Sheep Incident was included in the North Complex during this time\*

\*The North Complex 209 was used to populate the size, cost, and % containment for the Sheep incident until 8/22. The North Complex did not break out the Personnel or Structures Threatened/Destroyed by incident and therefore that data is not graphed until 8/22 when an individual 209 was filed for the Sheep incident.
